PRELIMINARY PROGRAM

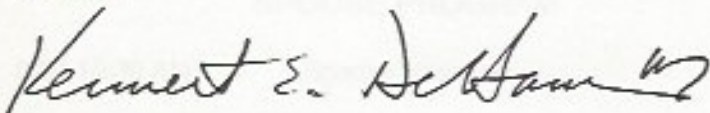

## MESSAGE OF WELCOME

We are pleased to invite you to come to Toronto, Canada, for the Combined Congress of the International Arthroscopy Association and the International Society of the Knee. While this will be the seventh Congress for each Society, it is only the second combined congress. The IAA portion of the Congress will be Monday and Tuesday, the ISK portion Thursday and Friday, with combined sessions involving both societies on Tuesday and Wednesday.

The program committees chaired by Dr. Robert Jackson (IAA) and Dr. Peter Fowler (ISK) have put together an outstanding scientific program from submitted abstracts and invited presentations. For the first time there is formal participation by the major regional organizations devoted to knee surgery and arthroscopy: the Arthroscopy Association of North America, the American Orthopaedic Society for Sports Medicine, and the European Society of Knee Surgery and Arthroscopy.

Toronto is one of the most exciting cities in North America, and provides a wonderful setting for our scientific exchanges, the planned social activities, shopping, and a wide variety of excellent restaurants. We look forward to having the opportunity to greet you in Toronto.

Sincerely,

Kenneth E. DeHaven, MD  
*President, International Society of the Knee*

David J. Dandy, FRCS, MD  
*President, International Arthroscopy Association*

**HOTEL RESERVATION DEADLINE: April 8, 1991**

## Site Information:

Toronto is considered one of the cleanest and friendliest cities in the world—and with good reason. There are great stores and markets, museums, galleries, theatre, ballet and opera venues, century-old churches, stately mansions, unique parks and immaculate lakefront walkways, dazzling new architecture and quaint little neighborhoods bubbling with a myriad of vibrant cultures. Picturesque Toronto Islands is a 10-minute ferry hop across from the city's heart, and the Civic Garden Centre at Edwards Gardens is a photographer's delight. Other attractions include the Toronto Zoo, the mind-bending Ontario Science Centre, the stunning Casa Loma, the primitive Black Creek Pioneer Village, the boisterous Toronto Stock Exchange, plus numerous underground and mall shopping areas to match every taste and budget. In restaurants, as in everything, Toronto is a neighborhood place; look for Italian food on St. Clair, Oriental in Chinatown, steakhouses in the City, Greek along The Danforth, and Continental restaurants tucked away all over—more than 4,000 eating places to choose from! Clean and fast public transportation is at your service throughout the Downtown area.

**The Westin Harbour Castle**, overlooking beautiful Lake Ontario, is Toronto's premier downtown meeting hotel, convenient to most business and entertainment areas. A health club, squash courts, indoor pool, gym and jogging track, plus three restaurants and two lounges add to the gracious amenities provided by the attentive staff. A covered walkway from the Hotel links you to the meeting and exhibit areas. For your convenience, a separate Hotel Reservation card is included in this kit. Please complete the card and return directly to the Hotel with your payment as indicated. If you have hotel reservation questions, please direct them to: Westin Harbour Castle, 1 Harbour Square, Toronto, Ontario, Canada M5J 1A6, Phone (416) 869-1600.

**Hotel Reservation Deadline: April 8, 1991.** After that date we lose our exclusive rights to the rooms we have reserved.

**Weather** for Toronto in May typically ranges from a temperature high of 65° F/18° C to a low of 47° F/8° C.

**The Lester B. Pearson International Airport** is a quick 20-minute trip from Downtown, and Gray Coach runs a regular shuttle bus service.

## SOCIAL EVENTS

**Monday:** Join us for the Combined Presidents' Reception at the acoustically magnificent Roy Thomson Hall, an award-winning concert theatre highlighted by a honeycombed glass exterior located in the heart of downtown Toronto. Enjoy fabulous hors d'oeuvres and cocktails under the glass canopy, following the scheduled musical performance. An elegant and entertaining evening not to be missed!

**Tuesday:** We welcome you to Canada with an imaginatively orchestrated Combined Gala Banquet featuring the vast heritage of the land. The look and flavor of Canada comes alive with Royal Canadian Mounted Police costumed greeters, fresh evergreen trees, heraldic Provincial flags and banners, a menu selected to complement Canada's ethnic diversity, plus entertainment featuring colorful clogged dancers and more. A feast for the eyes as well as the palate!

**Wednesday:** Your free afternoon and evening can be as busy or as languid as you desire. Some of your afternoon choices include: tennis or golf, a matinee theatre performance of "Phantom of the Opera," or a condensed visit to Niagara Falls. Another option is sight-seeing on your own—the Hotel's tourist information desk can give you lots of ideas! Come evening, take in a Blue Jays baseball game at the world-famous Skydome. We've arranged for a block of tickets for this night game. Or, you can visit the city at night. Toronto is a smorgasbord of sights and senses. From the top of the glittering CN Tower to a quiet stroll along the lakeshore, from the deliciously diverse ethnic neighborhoods to the exciting Downtown nightlife, your choices are nearly endless.

**Thursday:** An elegant goodbye to new friends and old at the Combined Farewell Reception held at the sophisticated Arcadian Court. Delegates will enjoy cocktails and hors d'oeuvres on the elegantly-decorated eighth floor of Simpsons Tower, which also houses a private collection of Canadian Art in the Thomson Gallery. Guests are welcome to leisurely view the historic paintings.

## SPOUSE PROGRAM

Please note: Space is limited on all tours and optional events. Be sure to sign up in advance. In the event of insufficient registration, the societies reserve the right to cancel an optional event. Registrants will be notified in advance and fees will be refunded.

### Monday, May 13

#### **Hazleton Club Lunch/Shopping in Yorkville**

9:30 a.m. - 2:00 p.m.

**\$40**

Enjoy a lovely lunch served at Hazleton Club, a charming restaurant located in the heart of Hazleton Lanes. After lunch, there's shopping in Yorkville, one of the most pleasant areas in the city.

#### **Royal Ontario Museum/Lunch at Bellair Cafe/ Shopping in Yorkville**

9:30 a.m. - 4:00 p.m.

**\$50**

First a visit to the Royal Ontario Museum, located on the outskirts of Yorkville Village. The museum's vast collection of more than six million artifacts rotates through permanent and temporary galleries. Then on to lunch at the Bellair Cafe, a trendy restaurant in the heart of Yorkville.

#### **Walking Tour of Toronto/Shopping in Yorkville**

1:00 p.m. - 4:00 p.m.

**\$20**

Explore the astounding variety of sights within walking distance of the Hotel. Bring walking shoes and see the insider's Toronto. Approximate walking distance is five kilometers/three miles. After the tour, there will be time for shopping in Yorkville.

Tuesday, May 14

**Luncheon Cruise/Fashion Show**

**11:00 a.m. - 3:00 p.m.**

**\$55**

While aboard Toronto's most luxurious cruise ship, a beautiful fashion show will be presented. The boat will cruise the Toronto Harbour for three hours, for participants to enjoy the tranquillity of the Islands and view the spectacular city skyline. A hot and cold buffet luncheon will be served.

**City Tour/CN Tower/SkyDome**

**12:30 p.m. - 4:30 p.m.**

**\$40**

Participants will tour Toronto's exciting financial district, the fantastic Eaton Centre and glamorous Yorkville shopping area. ## International Society of the Knee Albert Trillat Young Investigator's Award

The International Society of the Knee (ISK) has established a young investigator's research award in memory of Professor Albert Trillat, past president and founder of the Society. Professor Trillat died April 1, 1988. The purpose of this award is to provide recognition for a young researcher who has done outstanding clinical or laboratory research contributing to the understanding, care or prevention of injuries to the knee. The award consists of: \$3,000.00 honorarium (U.S), award certificate or plaque, presentation of the paper at the Congress, and publication in *The American Journal of Sports Medicine*. To be eligible, the young researcher must be under 40 years of age by May 17, 1991, and be the principal investigator of the research submitted. Manuscripts will be reviewed by the ISK Executive Committee and Program Chairman, who will select the winning paper. The award will be formally presented at the Congress. The deadline for submitting entries is **January 1, 1991**.

## International Arthroscopy Association John J. Joyce Award

In 1981, Dr. John J. Joyce III offered a prize for the best paper read at the Scientific Meeting of the 4th Congress of the International Arthroscopy Association in Rio de Janeiro and the 5th Congress held in London. With characteristic generosity, Dr. Joyce has since offered to endow a prize to be awarded at every IAA Congress. The IAA Directors accepted this offer, and named the prize the John J. Joyce Award. A Committee will select the first, second and third-place prize-winning papers from manuscripts presented at the 1991 Congress. In 1974, Dr. Joyce was one of the founders of the IAA, and he is the author of numerous orthopaedic papers and chapters of books. At this time, Dr. Joyce continues to edit articles for the *Journal*.
