SmartMex®: Known Lesion – New Approach

Your Performance is Our Passion

By working on the principle of dilation with the implant diameter through the meniscus, the SmartMex® all-inside meniscus refixation system offers a less traumatic technique that minimizes damage to the meniscus.

WELCOME TO THE 14TH BIENNIAL ISAKOS CONGRESS IN BOSTON, USA

We're excited to be back, in-person!

The ISAKOS Congress continues to be considered the premier international meeting, providing a unique opportunity for attendees to share, discuss and learn the latest advancements in arthroscopy, knee surgery and sports medicine. Explore and learn a variety of new and cutting-edge surgical techniques and approaches to clinical management, combined with overviews of current controversies in orthopaedic practice. Don't miss the new virtual reality challenge, young professionals and women of ISAKOS events, the inaugural Freddie Fu Lifetime Achievement Award, and so much more.

You are a vital part of the 14th Biennial ISAKOS Congress and we are so happy you have chosen to join us.

In an effort to be more sustainable, please download the ISAKOS mobile app to follow along and participate in the program.

GENERAL MEETING INFORMATION

CME ACCREDITATION

This activity has been planned and implemented in accordance with the accreditation requirements and policies of the Accreditation Council for Continuing Medical Education (ACCME) through the joint providership of the American Academy of Orthopaedic Surgeons and the International Society of Arthroscopy, Knee Surgery and Orthopaedic Sport Medicine (ISAKOS). The American Academy of Orthopaedic Surgeons is accredited by the ACCME to provide continuing medical education for physicians. The American Academy of Orthopaedic Surgeons designates 14th Biennial ISAKOS Congress 6/18/2023–6/21/2023 in Boston, MA (Live Event) has been designated for a maximum of **30.0 AMA PRA Category 1 Credits™**. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

For more information, please visit isakos.com/2023/Program#CME.

CME CERTIFICATES

Please log in at isakos.com/myCongress and complete the online Course Survey after the Congress. Upon completion of the survey, you will be able to download your CME Certificate.

WORDLY TRANSLATION SERVICES

Real-time translation available—Experience on-demand translation in 20+ languages! Simply scan the in-room QR code for the specific session you wish to translate live. Follow the prompts to select the language of your choice and begin translation.

#ISAKOS2023

Disclaimer

The material presented at the ISAKOS Biennial Congress has been made available by ISAKOS for educational purposes only. This material is not intended to represent the only, nor necessarily the best method or procedure appropriate for the medical situations discussed, but rather is intended to present an approach, view, statement or opinion of the faculty which may be helpful to others who face similar situations.

FDA Statement

Some drugs or medical devices demonstrated at the ISAKOS Biennial Congress have not been cleared by the American Food & Drug Administration (FDA), or have been cleared by the FDA for specific purposes only. The FDA has stated that it is the responsibility of the physicians to determine the FDA clearance status of each drug or medical device he or she wishes to use in clinical practice.

The AAOS which is accredited to provide CME credits for this meeting provides that “off label” uses of a drug or medical device may be described in accredited activities so long as the “off label” use of the drug or medical device is described specifically (i.e., it must be disclosed that the FDA has not cleared the drug or device for the described purpose). Any drug or medical device is being used “off label” if the described use is not set forth on the products’ approach label.

Financial Disclosure

Each participant in the ISAKOS Biennial Congress has been asked to disclose if he or she has received something of value from a commercial company or institution, which relates directly or indirectly to the subject of his or her presentation. An indication of the participant’s financial disclosure appears online within their presenter profile, as well as the commercial company or institution that provided the support, as applicable. ISAKOS does not view the existence of these disclosed interests or commitments as necessarily implying bias or decreasing the value of the author’s participation in the Biennial Congress.

SPEAKER READY

All presentations must be uploaded at least 2 hours in advance of your session in Speaker Ready—Room 313, on the 3rd floor of the Hynes Convention Center.

Saturday, June 17

11:30–17:00

+ Redefining biological healing

More than 10 years of clinically demonstrated results¹

The REGENETEN Implant reduces rotator cuff re-tear rates compared with conventional techniques,³⁻⁷ offers rapid recovery⁸ for partial-thickness tears^{8,9} and provides positive clinical outcomes.^{1,2,6,8} To find out more about how we're redefining biological healing, visit [smith-nephew.com](https://www.smith-nephew.com).
