APPLICATIONS FOR EXHIBIT SPACE
DEADLINE: MARCH 1, 2021

RULES AND REGULATIONS

All exhibitors, their agents and employees are subject to all terms and conditions of the agreement between the International Society of Arthroscopy, Knee Surgery, and Orthopaedic Sports Medicine (ISAKOS) and the Cape Town International Convention Center (CTICC) regarding the use and occupancy of the exhibition hall, and to all reasonable rules and regulations prescribed by ISAKOS or the Cape Town International Convention Center (CTICC). In addition, the exhibitor shall comply with all applicable federal, state and local statutes, ordinances, rules and regulations.

Please review the entire Exhibit Prospectus. It includes information and guidelines important to your company’s participation as an exhibitor at the 13th Biennial ISAKOS Congress. It is the responsibility of the exhibitor to ensure that all company personnel, representatives and/or third party agents that are involved in the arrangements for your exhibit are aware of, and adhere to, these rules. The rules and regulations listed in this Exhibit Prospectus are part of the application for space, and consequently constitute part of the agreement between the exhibitor and ISAKOS. ISAKOS reserves the right to interpret and make final decisions regarding all rules and regulations.

Exhibit personnel cannot congregate at the exhibit hall entrance. They shall conduct business in order to minimize obstruction or interference with the flow of traffic in the exhibit hall aisles. Exhibit personnel may not conduct sales meetings in the exhibit hall.

ELIGIBILITY TO EXHIBIT

ISAKOS determines eligibility of any company or products for exhibits. ISAKOS may forbid installations or request removal of any exhibit or promotion, at its discretion and at any time, which is not in keeping with ISAKOS character or purpose. ISAKOS requires exhibiting companies to provide details on any consumer or government litigation, orders, injunctions, judgments or settlements over the last three years regarding the business practices of the company or the products and services to be exhibited. Companies with multiple complaints filed against them with state or federal consumer affairs regulatory agencies, the U.S. Better Business Bureau, ISAKOS Members, Congress attendees, or other exhibiting companies may be required to provide an explanation of the resolution of those complaints. ISAKOS reserves the right to refuse space to any company whose products or services do not meet the educational, scientific or practice needs of our members and Congress attendees, or any company who has failed to fulfill its financial obligations.

EXHIBIT REVIEW PROCESS—NEW EXHIBITORS

Companies that have not exhibited at an ISAKOS Congress must successfully complete the ISAKOS Exhibit Review Process conducted by ISAKOS in order to be eligible to participate as an exhibitor. The materials required for the Exhibit Review Process are:

• Background information of the company, including Board of Directors and company history
• Product brochures or literature

Two copies of this material should be emailed to the attention of the Exhibit Manager at the ISAKOS Office by March 1, 2021.

SELECTING EXHIBIT SPACE

The ISAKOS Office recommends applying online for exhibit space at the 13th Biennial ISAKOS Congress. Visit the Exhibitor section of the official ISAKOS Congress website and complete the online application for exhibit space.

isakos.com/2021/Exhibits

Applications submitted online will be given priority over faxed or mailed applications. Exhibit space will be assigned on a first-come, first-served basis, and will not be made until the entire exhibit fee is received by the ISAKOS Office.

Avoid concentrating all choices in one area:

• Review the floor plan and select four locations in different areas on the floor plan
• To assist you in determining realistic booth locations, take into account the date you submit your application
• Exhibitors submitting an application at a later date should request booth locations in various areas of the exhibit hall to increase the opportunity of a favorable space assignment

Exhibit space at the ISAKOS Congress usually sells out six months before the meeting dates. In order to ensure participation, apply online or complete and return the application and payment to ISAKOS before the space assignment deadline of March 1, 2021.
The exhibit floor plan has been designed to maximize the amount of exhibit space. If none of the requested locations are available, space will be assigned based on the indicated preference of booth type versus location. Additional island booths not included on the floor plan will be created at the discretion of ISAKOS to accommodate exhibitors. It is not possible to contact each company for new selections of booth space during the space assignment process.

If selected exhibit space preferences are not available, the ISAKOS Office will assign the best available space. ISAKOS reserves the right, in its sole discretion, to allocate space on any other basis it deems appropriate.

**SPACE LIMITATIONS**

ISAKOS reserves the right to place reasonable limitations on the number of booths to be rented to any exhibitor. The limitation will be determined by the relation of total applications to the number of booths available on the floor plan.

**MOBILE UNITS OR TRUCKS**

Exhibitors that wish to utilize mobile units or trucks must request written approval from ISAKOS. Requests must be received by March 1, 2021. Mobile labs cannot be held during hours when ISAKOS education is taking place. No signage for mobile labs can be placed in the ISAKOS designated hotels or convention center. Mobile labs cannot be located on the ISAKOS designated hotel or convention center property or streets that border the hotel or convention center.

**SURGICAL SKILLS COURSES**

Outside surgical skills courses cannot be held during hours when ISAKOS education is taking place.

**MARKET RESEARCH BOOTHS**

Market research companies will be assigned space only if research is being conducted for an approved ISAKOS exhibitor and if space is available. If space is assigned, all surveys must be conducted within the confines of the booth space. Surveys and questionnaires must be submitted to the ISAKOS Exhibit Manager for approval by March 1, 2021.

**MEDIA RELATIONS AT THE CONGRESS**

ISAKOS invites exhibitors to supply appropriate press materials for distribution in the ISAKOS Congress Press Room. These materials should be formatted as news releases or press kits, and can be no larger than 9.5” x 12”. Exhibitors are responsible for shipping their materials to Cape Town, bringing their materials to the press room, setting them out and replenishing if necessary. Each exhibitor will be limited to a maximum display of 25 press kits / press materials at one time. Exhibitors are prohibited from conducting press conferences in the booth during exhibit hours.

• Counters must be a minimum of 30cm in from all aisles.
• Demonstration areas are required to be placed a minimum of 1.5 meters in from the aisles.

In the event your booth exceeds this height, it is your responsibility to request and comply with the CTICC regulations. These regulations contain specific requirements and obligations from an engineering compliance perspective prior to and during setup construction / installation.

Only professionally printed signs are allowed in the exhibit hall. Forms for ordering booth ID signs and additional signs from The Conference Company will be included in the online Exhibitor Service Manual.

Experimental products whose efficacy has not been determined or which are not commercially available will be permitted to be exhibited only when clearly identified as such. ISAKOS, in determining whether to accept an application for exhibition space in any subsequent year, may consider breaches or infractions of these terms, rules and regulations by an exhibitor in any year. In addition, infractions of the spirit of the rules by exhibitors or potential exhibitors at any time may be considered in determining whether to accept an application from such person or company seeking to exhibit at a future ISAKOS Congress.

TERMINATION OR MODIFICATION OF DISPLAY PRIVILEGES

ISAKOS reserves the right to terminate or modify the exhibitor’s display privileges at any time for a breach of any of these terms, rules and regulations. ISAKOS will be the sole interpreter of whether a breach has occurred. Such termination or modification may occur during the Congress, at which time the exhibitor must agree to close the exhibit upon receipt of a notice of termination and to remove or modify the exhibit from the exhibition hall as soon as possible without disruption of the meeting. Such removal shall be done under the direction of the ISAKOS Exhibit Manager. VIOLATION OF RULES AND REGULATIONS

As a condition for exhibiting, each exhibitor shall agree to observe all policies. The action taken against an exhibitor for violation of rules and regulations will be determined on the basis of the particular circumstances of each case. Some infractions will be communicated in a warning notice that may not result in a violation if in the sole discretion of the ISAKOS Exhibit Manager it is deemed that corrective measures were completed within a timely fashion and no other parties were negatively impacted. Prior years’ warnings and penalties may be taken into account in assessing penalties. ISAKOS reserves the right to levy a more severe penalty, including refusal of or termination of the exhibit, at its sole discretion without progressing through each of the following successive steps. In the event of such restriction or eviction, ISAKOS will not be liable for any refunds on rentals or other exhibit expenses.

GETTING TO AND AROUND CAPE TOWN

Getting to Cape Town, South Africa and the Cape Town International Convention Center is easy. There are various means of transport available.

BY AIR

Cape Town International Airport (IATA: CPT, ICAO: FACT) is the main international gateway of Cape Town in South Africa and surroundings. It is the second busiest airport in the country and the third one in Africa. Located approximately 12 miles (20 km) from the city centre of Cape Town, CPT airport operates with international and domestic flights. CPT airport is the only airport in the Cape Town metropolitan area that offers scheduled passenger services.

CUSTOMS PROCEDURES AT CAPE TOWN AIRPORT

SARS TRAVELLER GUIDELINES

On arrival at a South African airport, you have to pass through customs control, where you may be questioned and your baggage may be scanned or searched for dutiable, restricted or prohibited goods.

Travellers with goods to declare must complete a Traveller Card and make a verbal declaration of their goods to a customs officer, who will then generate a Traveller Declaration. If you’re found with undeclared, restricted or prohibited goods, you could be fined or even face prosecution. To help you avoid this and make your arrival and departure from South Africa as smooth as possible, here’s a quick guide to moving goods in and out of the country.

DUTY FREE CONSUMABLE GOODS IN ACCOMPANIED BAGGAGE

You can bring the following goods into South Africa without paying customs duty or value-added tax (VAT):

- Cigarettes - up to 200 per person.
- Cigars - up to 20 per person.
- Cigarette or Pipe Tobacco - up to 250g per person.
- Perfume - up to 50ml per person; Eau de Toilette (scented liquid lighter than cologne) - up to 250ml per person.
- Wine - up to 2 litres per person.
- Spirits and other Alcoholic Beverages - up to 1 litre in total per person.
- People under 18 can claim this duty-free allowance on consumable goods - with the exception of alcohol and tobacco products - provided the goods are for their personal use.

PERSONAL MEDICINES

You are allowed to bring in one month’s supply of pharmaceutical drugs or medicines for your personal use. Any other pharmaceutical drugs or medicines must be accompanied by a letter or certified prescription from a registered physician, and have to be declared.

PERSONAL EFFECTS, SPORT AND RECREATIONAL EQUIPMENT

You can bring in personal effects, sport and recreational equipment, either as accompanied or unaccompanied baggage, for your own use during your visit. In the case of very expensive articles, you may be required to lodge a cash deposit to cover the potential duty/tax on their re-export. The deposit will be refunded on departure after a customs officer has inspected the items and verified that they are being re-exported.

ADDITIONAL PERSONAL GOODS

In addition to the personal effects and consumables duty-free allowances, you are allowed to bring in new or used goods in accompanied baggage to the value of R5 000, or R25 000 if arriving from Botswana, Lesotho, Namibia or Swaziland.

If the limits are exceeded, all goods brought into South Africa are subject to the payment of customs duty and value-added tax (VAT) - including goods bought duty-free on aircraft or ships or in duty-free shops. For goods of up to R20 000 in value, you have the option of paying customs duty at a flat rate of 20%. Flat-rated goods are also exempt from payment of VAT. This is valid only once per person per 30-day period.

People under 18 can opt for the flat-rate assessment, provided the goods are for their personal use. Once you’re over the additional R20 000 limit - or if you waive the flat rate option - then duty will be assessed and paid on each individual item you’re carrying, and an additional 14% VAT will be charged.

CURRENCY ALLOWANCES

South African bank notes in excess of R25 000; foreign currency above $10,000; gold coins, coin and stamp collections, and unprocessed gold above $10,000 in value.

RESTRICTED GOODS

Certain goods are restricted, and may only be brought into South Africa if you have the necessary authority or permit, and these must be declared on arrival. They include any firearms, as well as species of plants or animals that are listed as endangered, whether they are alive or dead, as well as any parts of or articles made from them.
All plants and plant products are restricted, such as seeds, flowers, fruit, honey, margarine and vegetable oils. Also animals, birds, poultry and products thereof, such as dairy products, butter and eggs.

CAB OR TAXI
There are a large number of metered taxis available, and it is easy to find one near major attractions or at the airport.

CAR HIRE
All the major companies operate out of the airport and have city depots.

BUS
Cape Town has a number of private bus companies and commuter bus services, as well as the City Sightseeing bus. The City Sightseeing bus is an awesome way to see the city at your own pace as you jump on and off at your leisure. The MyCiti bus is another quick and easy way to get around the city and surrounds.

TRAVEL ADVISORY
As a first step in planning any trip abroad, check the Travel Advisories for your intended destination. Note, conditions can change rapidly and at any time. Exercise the same common sense measures you would at home. Keep your money and valuables secure. Be aware of your surroundings, particularly in crowded public places, at large events and when using public transportation.

ISAKOS encourages all attendees to exercise increased caution when traveling abroad.

TIPS TO ENSURE SAFETY
• Avoid hailing cabs on the street. Instead, ask your hotel to arrange a taxi.
• Exercise caution when venturing outside popular tourist and hotel zones.
• Stay up to date with the latest travel warnings issued by your local Travel Advisory Department

ENTRY INTO SOUTH AFRICA
Foreigners who wish to visit South Africa must have passports/travel documents valid for thirty (30) more days after the intended return date from South Africa. The passport must contain at least two (2) unused (blank) pages labeled Visa when presented at the Embassy or Consulate; One page is for affixing the visa or permit at the Embassy/Consulate and the other page is for endorsement of entry/department stamp by the South African Immigration Services. Note: Visa pages referred to above do not include pages reserved for Endorsements, Amendments or Observations.

Foreigners must check the list of visa exempt countries to see if they need to apply for visas. If the names of their countries are not listed, it means they need to apply for visas. There are also countries that are visa exempt if applicant is traveling to South Africa for a period of 30 days or less.

There are countries which are required to apply for visas but are exempt from visa fees, e.g. India, Colombia, Mexico, etc. Please refer to the list of countries that pay for visa and if your country is not listed it means you do not need to pay for visa.

Note: If your visit would exceed ninety days or if you want to travel to South Africa to study or to work, you will need to apply for a temporary residence visa instead of a visitor’s visa. Requirements for a temporary residence visa are not the same with visitor’s visa.

Yellow fever certificate is required only if the applicant is passing through yellow fever belt area before entering South Africa.

*Information provided on this webpage regarding visas and passports, is supplied as a courtesy. ISAKOS is NOT responsible for any errors, changes or omissions in the information listed above. Please contact your consulate when planning your travel.
