ISAKOS GLOBAL CONNECTION

Education, Research and Collaboration

Become an **ISAKOS Godparent** Today!

The ISAKOS Godparent Initiative was created in order to provide meaningful benefits to individuals who donate to the Society, as well as to individuals interested in ISAKOS membership, but who may not currently have the resources to become members. If an individual donates \$5,000 or more to ISAKOS and designates this money to the Godparent Initiative, a portion of that donation will be allocated toward an ISAKOS membership scholarship program.

The membership scholarship program would offer those in need of funding for membership the opportunity to submit an application and statement of need. Applications are reviewed by the ISAKOS Membership Committee, and accepted applicants will receive free membership for four years, and one waived registration fee for an ISAKOS Congress during those four years. Godparents will receive special, distinct recognition during the ISAKOS Biennial Congress, and are recognized on the ISAKOS Global Connection website, in the newsletter, and at the ISAKOS Congress Donor Reception. To become an ISAKOS Godparent, and to view the list of ISAKOS Godparents to date, visit www.isakos.com/GlobalConnection.
