SUPPORT ISAKOS

YEAR-ROUND OPPORTUNITIES

ISAKOS & Industry Collaborative Webinar | USD \$10,000

Join ISAKOS in presenting a live educational webinar program to the global orthopaedic community. Your company is invited to support this education programming through the organization of one-hour webinars in collaboration with ISAKOS faculty. Work with the ISAKOS team on content and speakers, securing approval from the ISAKOS Education Committee. Programs often include surgical videos, case-based presentations, and round-table discussions. Webinars are promoted to the ISAKOS database of nearly 40,000 surgeons throughout the world. Promotion includes email blasts, Digital Digest weekly e-newsletter, social media, and listings on the ISAKOS website.

“Meet the Experts” Podcast Series | USD \$20,000

Join ISAKOS in offering up to three half-hour podcasts featuring interviews among leading ISAKOS experts on educational topics identified by your company. Each podcast is promoted to the full ISAKOS database of more than 40,000 contacts, via Digital Digest e-newsletter, social media, and e-mail blasts. Your company would be recognized as podcast sponsor on the ISAKOS website, in podcast emails and social media promotions, and verbally during each podcast introduction.

Research Grants | USD \$25,000 – USD \$50,000

You can help drive the future of research by supporting the funding of ISAKOS Research Grants. Your support contributes towards advancing research of surgeons and other medical professionals within orthopaedics and to the development of innovative technologies that ISAKOS members will use in their practices.

PROMOTIONAL OPPORTUNITIES

ISAKOS eNewsletter Digital Ad | USD \$10,000 for three issues

With an audience of 40,000 and published three times annually, this digital newsletter includes Current Perspectives submitted by ISAKOS Clinical Committees and members. Each issue also contains information about the Congress, future meetings, approved courses, society updates, and educational opportunities.

Broadcast Email | USD \$5,000

Your company can send a dedicated email blast to more than 3,500 ISAKOS members plus over 40,000 surgeons in the ISAKOS database. You create the email content and select the month for the email to be sent. ISAKOS will provide an email analysis report that includes open rates, unique views, and click-throughs. Note: ISAKOS must approve all messages.

Social Media Package | USD \$5,000

Your company can benefit from a series of three social media posts (Twitter, LinkedIn, Facebook, Instagram) scheduled by ISAKOS and the supporting company. Your company provides social media messages and accompanying visuals. ISAKOS provides social media analytics report when the social media promotion concludes. ISAKOS has the right to suggest any changes to these messages.

2026 EDUCATIONAL PROGRAMS

ISAKOS Knee Arthroplasty Forum, October 2026 | Brussels, Belgium ***Multiple Opportunities Available***

As the world's only truly global knee society, ISAKOS is proud to announce its third international meeting dedicated entirely to Knee Arthroplasty. Through symposia, debates, surgical technique videos, Meet the Experts sessions, and interactive case-based discussion, world-renowned experts will offer 400+ attendees insights into clinical challenges and research advancements.
