WELCOME TO THE 15TH BIENNIAL ISAKOS CONGRESS IN MUNICH, GERMANY

The ISAKOS Congress continues to be considered the premier international meeting, providing a unique opportunity for attendees to share, discuss and learn the latest advancements in arthroscopy, knee surgery and orthopaedic sports medicine. Explore and learn a variety of new and cutting-edge surgical techniques and approaches to clinical management, combined with overviews of current controversies in orthopaedic practice. Don't miss the new ISAKOS Theater, young professionals and women of ISAKOS events, the Freddie Fu Lifetime Achievement Award, inaugural Peter J. Fowler Career Clinical Educator Award, and so much more.

You are a vital part of the 15th Biennial ISAKOS Congress and we are so happy you have chosen to join us.

In an effort to be more sustainable, please download the ISAKOS mobile app to follow along and participate in the program.

GENERAL MEETING INFORMATION

CME ACCREDITATION

This activity has been planned and implemented in accordance with the accreditation requirements and policies of the Accreditation Council for Continuing Medical Education (ACCME) through the joint providership of the American Academy of Orthopaedic Surgeons and the International Society of Arthroscopy, Knee Surgery and Orthopaedic Sports Medicine (ISAKOS). The American Academy of Orthopaedic Surgeons is accredited by the ACCME to provide continuing medical education for physicians.

The American Academy of Orthopaedic Surgeons designates the International Society of Arthroscopy, Knee Surgery and Orthopaedic Sports Medicine (ISAKOS) Congress, June 8-11, 2025 in Munich, Germany (live activity) for a maximum of **29 AMA PRA Category 1 Credits™**. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

For more information regarding CME, please visit isakos.com/2025/Program#CME.

Disclaimer

The material presented at the ISAKOS Biennial Congress has been made available by ISAKOS for educational purposes only. This material is not intended to represent the only, nor necessarily the best method or procedure appropriate for the medical situations discussed, but rather is intended to present an approach, view, statement or opinion of the faculty which may be helpful to others who face similar situations.

FDA Statement

Some drugs or medical devices demonstrated at the ISAKOS Biennial Congress have not been cleared by the American Food & Drug Administration (FDA), or have been cleared by the FDA for specific purposes only. The FDA has stated that it is the responsibility of the physicians to determine the FDA clearance status of each drug or medical device he or she wishes to use in clinical practice.

The AAOS which is accredited to provide CME credits for this meeting provides that "off label" uses of a drug or medical device may be described in accredited activities so long as the "off label" use of the drug or medical device is described specifically (i.e., it must be disclosed that the FDA has not cleared the drug or device for the described purpose). Any drug or medical device is being used "off label" if the described use is not set forth on the products' approach label.

Financial Disclosure

Each participant in the ISAKOS Biennial Congress has been asked to disclose if he or she has received something of value from a commercial company or institution, which relates directly or indirectly to the subject of his or her presentation. An indication of the participant's financial disclosure appears online within their presenter profile, as well as the commercial company or institution that provided the support, as applicable. ISAKOS does not view the existence of these disclosed interests or commitments as necessarily implying bias or decreasing the value of the author's participation in the Biennial Congress.

WORDLY TRANSLATION SERVICES

PRESIDENTIAL GUEST LECTURE & FIRESIDE CHAT

Stephan Siegrist
Professional Mountaineer

WHERE EARTH MEETS SKY:
RESILIENCE AND PERSEVERANCE
FOR MOUNTAINEERS AND DOCTORS

SUNDAY, JUNE 8 | 09:00 – 09:30

Continue the excitement—listen to the **live podcast recording** with Stephan at the **ISAKOS Theater on the Floor 1 Foyer** immediately following the lecture!

Stephan Siegrist is a world-renowned Swiss professional mountaineer, expedition leader, and inspirational speaker. Known for bold first ascents on all seven continents and over 40 climbs of the Eiger North Face, his career has taken him to some of the most remote and demanding peaks on the planet—from the Himalayas to Patagonia.

Originally trained as a carpenter, Siegrist found his calling in the mountains, developing expertise across bouldering, big walls, ice, mixed climbing, and highline walking. Through his captivating multimedia presentations, he shares powerful stories of risk, resilience, and life at the edge—with humility, humor, and heart.

As the ISAKOS 2025 Presidential Guest Speaker, Siegrist will present "Where Earth Meets Sky: Resilience and Perseverance for Mountaineers and Doctors," a powerful reflection on the shared challenges of high-stakes decision-making, overcoming adversity, and sustaining motivation in the face of uncertainty. His story is not only a celebration of the human spirit, but a compelling reminder of the resilience that unites those who push boundaries—on the mountain and in medicine.
